**The United States District Court,
District of Minnesota announces
two new programs!**

Expedited Trials –The Court will begin offering parties an opportunity to participate in a program called Expedited Trials beginning July 2, 2001. This voluntary program offers an alternative to traditional case processing by allowing for a shorter time period from filing to disposition. Discovery and motion practice will be sharply limited as a means to reduce time and expense. Procedural rules are on the Court's website at www.mnd.uscourts.gov. If you would like additional information about the Expedited Trials Program, contact one of our clerk's offices at the phone numbers listed below.

Courtroom Technology – Phase II – In June 2001, the District of Minnesota began upgrading, installing, and enhancing the technology available to counsel in the courtroom. The project will continue through early fall and will ultimately upgrade all Article III Judge courtrooms in St. Paul and Minneapolis. To assist counsel with this transition, the District Court is offering a hands-on class, worth one hour of CLE credit at both courthouses. Classes will be held over the lunch hour. Course registration can be done by visiting www.mnd.uscourts.gov or by calling Kristine at 612-664-5125.

**For additional information on either program
please visit our website at www.mnd.uscourts.gov.**
